2 Glass doors - hallway - end of hallway another long hallway

base Room on right - large counter

Back windows - nobody in this room

office - left of cor. box - very dark

nobody on this floor - guard at door

- standing by door - funny looking gun - holes in barrel - dark coat & hood, grey pants long strap on shoulder

- stairs on right inside door

- Go upstairs -

turn in the stairs - then another double set of doors - short hall-way T intersection

base room - hallway to L - looks like lounge

- wood paneling, furniture - paintings on wall

- end wall no windows - windows on front wall

- 3 office rooms on L along long corridor

- small office on right a short corridor

goes to large office - windows all way around

- nice carpeting & good furniture

- many people - sitting & talking - some kids

Sitting in a circle - 8 people, some have

guns - most don't - impression of interrogation

- don't see any hostages - come here sometime

3 people planning something
& discussing no armours to be much older -

- 2 bathroom on floor -
- 2 " a ground floor -
- older guy giving instructions to these people
- guards at end of ~~people~~ bldg
- " by road
- van in entry - store entry way, corner of bldg - guards under ~~street~~ trees
- long low bldg - guards ^{sleep} under trees
- watching gateway, watching road
- Digging in the ground by the road
- look like plants in the ground - recent
- small sticks in the ground
- like stone along the road

- +20
- 1 guard inside door
 - 8 people in room - no other people
 - guards at end of bldg - watching guards under trees
 - ↓ wearing wind-breakers - belts around waist
 - funny guns, different - large hobs - look like BARs - hobs in fleshy arms - c ships
 - guards in trees have rifles - shotguns, shotguns
 - loose atmosphere - not all have guns, some all have weapons.

- +27
- Strange - looks like they planted garden using large trunks for staking.
 - Trunks are mined or booby-traps, if you

- +30
- Don't see any hostages !!
